

AVSC

Anti-Vortex Single Channel Drain

The AVSC Drain's impressive combination of style, function and safety make it the perfect option for your pool or spa. It sits flush with the floor and is virtually invisible with its pebble, render or tile finish lid. What more could you ask for?

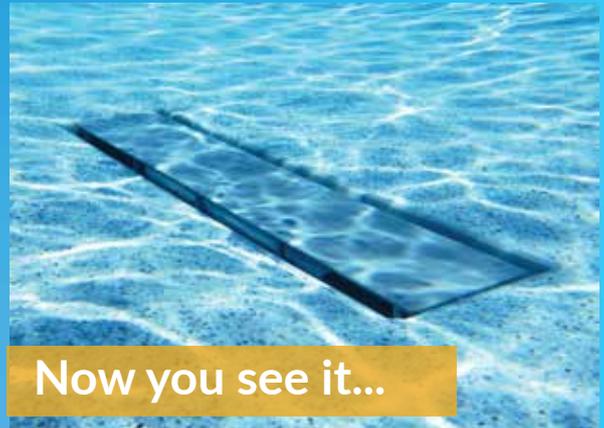

- ✔ Maximum safety rating
- ✔ Perfect for pools and spas
- ✔ Sits flush with pool or spa floor
- ✔ Looks great because it's almost invisible
- ✔ Great performance with high flow rates
- ✔ Dual suction lines for maximum flexibility

Truly one of a kind

Nothing can compete with the advanced AVSC Drain from Cooke Industries. It is the world's most effective debris removal drain, boasting unrivalled performance and an impressive combination of style, function and safety features.
