

Splash!Down™

Take your pool from basic to beautiful in seconds. Disappearing Splash!Down water fountains rise out of the floor and cascade into your pool to create a truly stunning visual impact.

- ✔ Eye-catching water display
- ✔ Flush-mounted into steps or floor
- ✔ Suitable for water depths 150mm-1100mm
- ✔ Water Jet or Crystal Spray option
- ✔ Disappearing fountains retract into floor
- ✔ White or Grey colour finish

Sparkling beauty

Splash!Down Water Jet

Whether it's the Water Jet's bubbling oasis or the Crystal Spray's cascading fountain, Splash!Down water features add stunning, eye-catching beauty to your pool.

Splash!Down Crystal Spray

Select your preferred combination of Splash!Down colour, size and fountain effect to create an impressive water feature in your pool or spa.

The Splash!Down is almost unnoticeable when it's not being used as it sits flush with the step or floor. Turn it on and water pressure lifts the telescopic internal nozzle up to create an eye-catching water show for everyone to enjoy.

Splash!Down Jet-22

Adjustable to any water depth from 150mm to 550mm

Splash!Down Jet-44

Adjustable to any water depth up to 1100mm

Beautiful When It's On
